- ❖ **Oil & Gas, Water & wastewater office;**
 - **Pipe and fitting, Valve, Pump, etc.**

ATB Trading represents several steel pipeline manufacturers located internationally.

All kinds of Pipes that we supply include the following:

- Electrical resistant welded (ERW);
- Longitudinal Welded (LSAW);
- Spiral Welded (SSAW);
- Seamless;
- Stainless Steel: Seamless & Welded;
- Galvanized;
- Casing and Tubing: OCTG pipes (casing pipes, drill pipes, production tubing) for all oil and gas operations;
- All kinds of Coating and Lining
- Other kinds of material: Ductile iron, GRP, DRE, and HDPE pipes;

Steel Pipes supplied are designed for the following operations:

Gas pipeline transmission;
Oil pipeline transmission;
Pressure pipelines;
Industrial transmission;
Water supply systems;
Draining & cleaning operations;

INDUSTRIAL SECTOR

**For Assaluyeh Phases. Gas transmission Lines.
2010-2015**

For Drilling Facilities 2017-2020

Piya Zabad Gas transmissions Lines. (Wrapped) 2018-2021

INDUSTRIAL SECTOR

Spiral pipe for transmission Lines. (Wrapped)

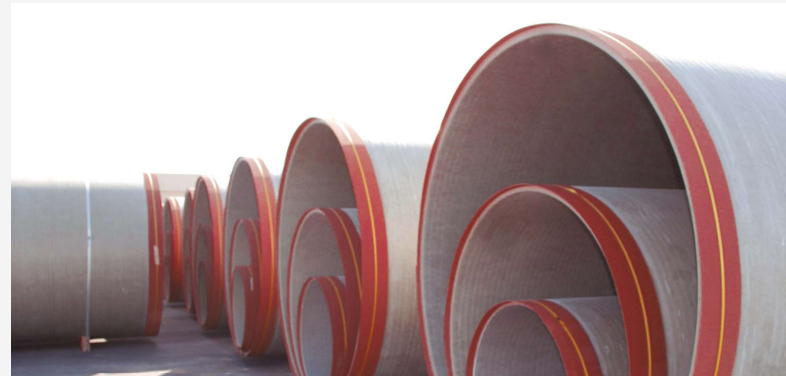

Ductile iron pipe for wastewater transmission Lines. (inner with concrete and Wrapped)

INDUSTRIAL SECTOR

GRP – GRE pipes for transmission Lines.

stainless steel pipe for Special liquids transmission (oil, petrochemical, food, ... industries)

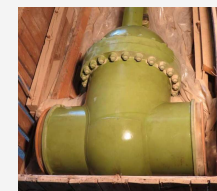

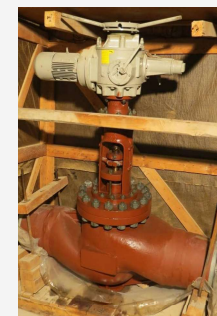

INDUSTRIAL SECTOR

Valves produced include the following: BS, API, DN, EN, ASME, and ISO Standard. Bodies produced are Cast Iron, Ductile Cast Iron, Steel, Stainless, and Brass.

The main classes and types available include:

Forged Steel valves; API Valves; Cast Iron Low Pressure; General Valves; Heat / Oxygen Valves; Butterfly Valves; Gate Valves; Ball Valves; Floating ball Valves; Plug Valves; Globe Valves; and Check Valves.

The main classes and types available include:

Forged Steel valves; API Valves; Cast Iron Low Pressure; General Valves; Heat / Oxygen Valves; Butterfly Valves; Gate Valves; Ball Valves; Floating ball Valves; Plug Valves; Globe Valves; and Check Valves.

INDUSTRIAL SECTOR

Butt welding pipe fittings, forged steel fittings, flange, nozzle, ...

Dimension Standard:

- ANSI B16.3;
- BS 143 & 1256;
- DIN 2950.
- API 5L

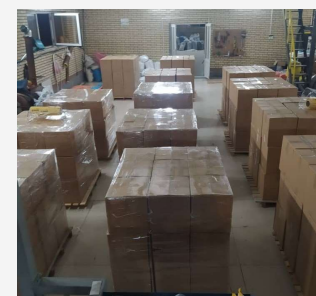

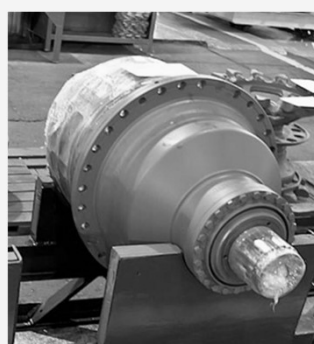

Coatings:

- No coatings;
- Hot dipped galvanized;
- Fusion-bonded epoxy resin;
- PE;

Application:

- Carbon Steel Fittings for piping components;
- Forged or Rolled Alloy-Steel Pipe Flanges, Forged fittings, valves, and parts for high-pressure and high-temperature;
- Forging Carbon and Low-Alloy Steel, requiring Notch Toughness Testing for piping components; and
- Pipe fittings of wrought Carbon Steel and Alloy Steel for Low-Temperature Service.

INDUSTRIAL SECTOR

INDUSTRIAL SECTOR

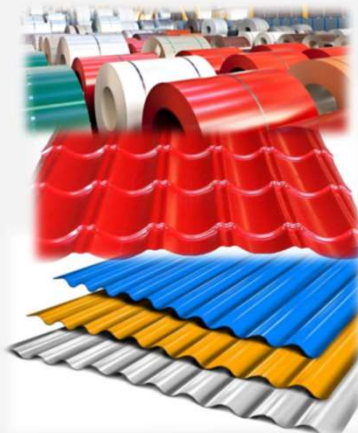

❖ Metal Industries;

- All kinds of metal, raw materials, formed & shaped, sheet, coil, billet, ...

Steel sheets, coil, broad-width, galvanized, thinly coated, colored, thermo rolling, ...

Dimension Standard:

- ANSI B16.3; A420 - 690, API 5L, A285-3, EN 10028-3, ...
- BS 143 & 1256; GL 2009, AFNOR, ...
- DIN 17100, EN 10025-2, ...

INDUSTRIAL SECTOR

Non-ferrous metals, high-purity ore, hot Briquetted Iron, billet, slabs, ...

INDUSTRIAL SECTOR

❖ Machinery and parts;

All kinds of full and semi automat production lines, machinery, equipment, facilities, and spare parts for all industries;

Our company as a trusted and experienced business partner, has always been able to provide the best and most cost-effective machines and production lines for its customers. Our activities include the following stages:

- Research and selection;
- Purchase (or manufacturing order);
- Management of transportation, installation, operation,
- Warranty services.

Our expertise in this field:

- All production lines of the food industry;
- All kinds of packaging and storage lines and equipment;
- Melting and rolling lines for Rebar and all kinds of steel profiles used in; construction and metal industries, including Sq Shape, L Shape, I Shape, Z Shape, etc. ;
- Filling lines for food, detergents, hygiene products, chemicals, etc. ;
- Assembling and production lines of all kinds of industrial and electrical components;
- Production lines for disposable recyclable containers;
- Production lines for recyclable plastic containers and parts;

INDUSTRIAL SECTOR

❖ Machinery and parts;

Plastic parts production line / Iran, etc.

Pet recycling line / Iran, Pakistan, Turkey

Material handling line / Iran

Disposable Food Containers / Azerbaijan

INDUSTRIAL SECTOR

❖ Machinery and parts;

Edible oil Filling line / Iran

Pastes and sauces prd. line/ Iran, oth.

Rolling Line (rebar & shapes / Iran

LED lamp production line/ Iran

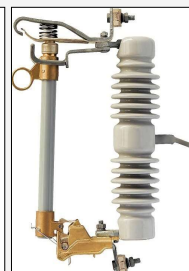

INDUSTRIAL SECTOR

❖ Electric & Energy industries;

ATB Trading represents several Electrical part manufacturers located internationally. All kinds of industrial and construction electrical equipment and parts that we supply include the following:

- All types of cables, including copper and aluminum cables and optical fibers in various sizes;
- Equipment and parts of electrical substations and industrial switchboards;
- All kinds of transformers and equipment and connecting parts;
- All parts and equipment related to electricity transmission and distribution grid;

FOOD DEPARTMENT

❖ Dairy products and kinds of milk powder;

- A variety of cheeses in various packages;
- All kinds of fats, including butter, butter ghee, cream, ...;
